Department News:

It is hard to believe that we are a third of the way through 2016. The department is anxiously awaiting the graduation of Officer Aaron Hagy, on May 13th, from the police academy. Surely he is anxious to graduate and apply what he has learned to his career.

In addition to normal patrol functions, the agency participated in several events throughout the month. Some of the highlights include:

- April 7th: Investigator Chris Jennings was recognized for his efforts and cooperation with a certificate from the United States Secret Service.
- April 8th: The department hosted several local church leaders in a discussion about church security. This program provided materials and instructions to allow congregations to produce their own emergency operation plans.
- April 15th: Officers Health and Holbrook participated in the, "Middle School 101" class at E.B. Stanley. This consisted of a Segway demonstration, and instruction, in riding a Segway. This was a tremendous hit with the students.
- April 17th: Officer Crystal Dea was recognized for her efforts in rescuing fifteen (15) baby ducks that had fallen through a storm drain on Towne Centre Drive. She was able to lift the storm drain, climb in to the drain pipe and rescue the ducklings. To show that no good deed goes unpunished, Officer Dea was rewarded for her efforts by the mother, who pecked her in the head once all of the ducklings were safely reunited with their mother.

- April 20th: The department, as well as law enforcement officer from our region, was once again honored to attend the law enforcement appreciation luncheon at E. B. Stanley Middle School. This annual event is always a hit with the staff and is a great way for the staff to spend time with the students and staff of the middle school.
- April 30th: The agency provided support for the national Drug Take Back Day sponsored by the United States Drug Enforcement Administration. As our DEA liaison, Investigator Chris Parks provided delivery from drop of destinations to the central collection point.

Enforcement News:

The department conducted DMV overtime enforcement during the month of April. Six (6) officers worked an additional 69.25 hours of enforcement on eleven (11) different dates. Enforcement is concentrated in high crash areas, and the newly created work zone on Jonesboro Road. These officers conducted fifty-four (54) traffic stops, issuing eight (8) warnings and forty-nine (49) citations. Forty-Four (44) of the citations were for excessive speed and five (5) were for other traffic infractions. The additional enforcement also resulted in three (3) felony charges being placed against one of the violators. The agency expended \$1,703.78 in overtime enforcement this month. These funds are reimbursed by DMV.

For the month of April the department responded to 345 calls for service. We were able to close all but 24 of those calls. This gave us an overall clearance rate of 93.0 percent for the month. The department responded to 32 IBR reportable cases in the month of April; at the conclusion of the month, 20 remained active. This gave us a clearance rate of 37.5 percent for all IBR offenses during the month of April.

As always, I am eager to address any questions or concerns you may have concerning the operations of the police department.
