NOTICE

November 7, 2016

To whom it may concern;

This notice is being distributed in order to notify residents of construction activity to start in town. AEP will have a contractor trimming trees near power lines along Valley Street from Russell Road to Cummings Street on Tuesday November 8, from 9:00 AM to 2:30 PM. During this time period, flaggers will be present to direct vehicles safely through the work zone. All motorists and pedestrians are advised to use caution through this area, and/or utilize other routes if possible.

The Town requests your patience and understanding during this much needed improvement as we strive to minimize disruptions and inconveniences to residents. If you have any questions, concerns, or comments, please do not hesitate to contact John Dew at jdew@abingdon-va.gov, Michael Surrett at msurrett@abingdon-va.gov, or either person by calling 276-628-3167.

Sincerely,

Town of Abingdon Department of Public Works
