Department News:

November is gone in a flash...We are slowly making the turn for the traditional slower, colder, season for the department. Traditionally, December, January, and February are our lowest volume months. This is usually followed by a drastic spike in March which continues throughout the spring and summer. Even though the temperatures are colder, we welcome the reduction in call volume.

Throughout November the police department was able to participate in several activities and community events. Some of the highlights include:

- November 11th - Veterans Day Ceremony - Officers assisted with traffic for the ceremony at Veteran's Memorial Park. In addition, on November 11th, officers were also honored by Lowe's with a Law Enforcement Appreciation Luncheon and one of the coolest cakes ever made.
- November 15th & 16th - 2016 IGNITE Expo for Youth at Higher Ed Center. This program was coordinated by the United Way and taught students how to earn a pay check, pay bills, and deal with issues that have a financial impact on life. Several of our employees participated each day.
- November 18th - LEAF at E.B. Stanley Middle School. Officer Hay and Officer Heath took the day to participate in this educational program for 6th grade boys. The 6th grade girls spent the day at the Higher Education Center as a part of their STEM learning initiative. The officers provided Segway demonstrations and taught the students how to ride in a controlled environment.

Mental Health Report:

The following bullets detail our mental health cases and transports, as well as their associated costs, for the month.

November 30	5.5 hours waiting in the ER (15.4 transport mi.) Highlands Counseling to JMH - TDO by Damascus	Cost: \$108.90

November 22	2 hours of transport time JMH to Clear View - Lebanon (51.66 mi.)	Cost: \$ 66.08

Emergency Custody Order to Temporary Detention Order

November 9	7 hours waiting in the ER and transport time. Highlands counseling to JMH to SWSMH (67.96 mi.)	Cost: \$166.75
------------	---	----------------

During the month of November the police department spent **24 hours** either waiting in the ER with ECO patients or in transport of TDO patients. This came at a **direct, unsubsidized, cost to the tax payers of \$626.55** for the month. This equates to \$125.31 per mental health event during the month of November.

In order to have a basis of how this tracks with previous months and years, I have developed the following chart:

Calls for Service:

For the month of November the department responded to 307 calls for service. We were able to close all but 21 of those calls. This gave us an overall clearance rate of 93.1 percent for the month. The department responded to 33 IBR reportable cases in the month of November; at the conclusion of the month, 15 remained active. This resulted in a clearance rate of 54.5 percent for all IBR offenses during the month of November.

Traffic Enforcement News:

The department conducted DMV overtime enforcement during the month of November as we began a new grant funding cycle. Five (5) officers worked an additional 37.5 hours of overtime over eight (8) different dates. This resulted in twenty-three (23) traffic stops which resulted in fifteen (15) summons and ten (10) warnings. Twelve (12) of the citations were for speed violations and three (3) were for other traffic offenses. This came at a cost of \$944.80, which is reimbursed through the grant.

As always, I am eager to address any questions or concerns you may have concerning the operations of the police department.
