PHONE: 276-628-3167
FAX: 276-698-3412
EMAIL: mbolick@abingdon-va.gov

NOTICE OF ROADWAY RESURFACING WORK:

May 7, 2018

Where: **Lowry Drive**, from Stone Mill Road to Entrance of Abingdon Village Apts.
Gibson Street, from Green Spring Road to End of Street
Augusta Street, The entire length of street
Winterham Drive, from Country Club Drive to Clubhouse Drive
Birdie Drive, from Cummings Street to Par Place
West Valley Street, from Mason Place to approximately the library

When: **Beginning the week of May 14, 2018, and ending the week of May 21, 2018, weather permitting.**

The above streets and street sections are scheduled for asphalt resurfacing starting on May 14th, weather permitting. As the first step, connecting driveways, parking lot entrances, and street intersections are scheduled to be prepared for asphalt resurfacing by the formation of a connection joint or groove (where needed) within the right-of-way through the use of a small milling machine. After which time, asphalt resurfacing is scheduled to commence.

This work will require temporary lane closures; therefore, traffic will be directed through the work zones by flaggers. Where available, the use of alternate routes is recommended during this period. Once asphalt resurfacing work is completed, pavement markings (lines, arrows, stop bars, cross-walks, etc.) will be replaced.

The Town appreciates the patience and understanding of all residents, businesses, and motorists during this time as we strive to minimize inconveniences. If you have any questions or need additional information, please contact Michael Surrett, Engineering Technician, at msurrett@abingdon-va.gov, or Matthew Bolick, Director of Public Services and Construction, at mbolick@abingdon-va.gov, or either person by calling 276-628-3167.
