Mr. Blevins presented his application for rehabilitation in two parts. The first part being the removal of the existing auxiliary porch structure, which is in bad shape, and replace it with a new one, similar in width but 2 feet deeper. Discussion took place with regards to paint versus stain, with the conclusion being to use a natural stain, or the recommendation his architect.

Mr. J. Johnson made a motion to approve the replacement of the deck, as discussed, with a natural stain or coordinate. Second by Mr. Boyd.

The second part of Mr. Blevins application is the removal of an old, dilapidated outbuilding that sits in a hole with no foundation.

Mrs. White read from the guidelines regarding the attempt to protect old outbuildings in the district. Mr. Taylor stated that the building does not appear on the old Sanborn maps. Mr. Boyd stated that old buildings lend to the character of Plumb Alley, which is slowing getting more "gaps in the teeth" with the removal of outbuildings. Mr. Blevins clarified that the building is in poor condition, with no foundation and receives a lot of water run-off from the neighboring property.

At this time Mrs. White called for a motion to accept the application to remove outbuilding. No motion was made. Mr. Blevins was thanked for this time.

- (7) Other items discussed.

1. With several applications lined up for the next meeting, a special meeting was scheduled for Monday, April 13.

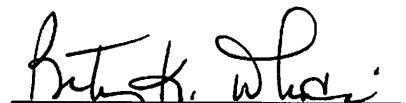

2. Mrs. White mentioned the possibility of announcing the new Preservation Award this summer during the Historic Homes tour Friday, August 7.

3. Maintenance. Mr. M. Johnson suggested bringing information from the Department of the Interior to the next meeting for discussion.

4. Mr. Boyd announced a symposium dealing with preservation and revitalization issues in August held by the Bristol Main Street organization.

There being no further business, the meeting adjourned at 6:08 p.m.
