(3) Case No. 399 - **Appalachia Design Services (K-VA-T Food Stores, Inc.)**, 245 Birch Street, Blountville, TN 37617; application for a variance from the requirements of Article 9, Section 9-3, Area Regulations in the O&I Office and Institutional District as contained in the Zoning Ordinance. The property is located at 248 Oak Hill Street. **Tax Map No. 12 (1) 35.**

The date of the application is March 22, 2013, requesting a special meeting scheduled to be heard on this date, April 18, 2013.

The application was duly advertised in accordance with the requirements of the Code of Virginia (1950, as amended, Section 15.2-2204) and all adjoining owners were notified of the meeting.

Mr. Jackson stated that this is a request from Article 9, Section 9-3-1a, Area Regulations as contained in the Zoning Ordinance, for property located at 248 Oak Hill Street.

This property, identified as Tax Map No. 12 (1) 35, contains a residential structure, a brick operations building, (from the former Johnston Memorial Hospital). K-VA-T wishes to divide the brick operations building side of lot from the frame residential building side of lot through boundary adjustment. The proposed residential lot containing the frame dwelling will be approximately 7,233.7 square feet in area and K-VA-T Food Stores, Inc. is requesting a variance of 1,266.3 square feet from the 8,500 square feet as set forth in Article 9, Section 9-3-1a Area Regulations of the Zoning Ordinance.

The total allowance for such property in the R-3 Residential District is as follows:

Article 6, Section 6-3,

Area Regulations - total allowance for the O&H District is 8,500 square feet for single family dwellings; only 7,233.7 square feet is available to applicant (a difference of 1,267 square feet); a variance request of 25 percent.

After discussion Mr. Stockner made a motion to deny the request for variance in Case No. 399. Due to conflict of interest, Mr. Wilson abstained from voting and there was no second to this motion.

After further discussion, Mr. Stockner made a motion to recess this meeting until Thursday, April 25, 2013 at 5:30 P.M., for further discussion.

There being no further business, motion was made, duly seconded and unanimously approved to adjourn the meeting. The meeting was adjourned.
