

**TOWN OF ABINGDON
Abingdon, Virginia**

Geographical Information System (GIS) Technician

The Town of Abingdon, Virginia is accepting applications for a full-time Geographical Information System (GIS) Technician for the Public Works Administration Department. The position operates under the direct supervision of the Director of Public Works.

Qualified applicants will be responsible for:

- Editing geographic and geospatial data and verifying accuracy with hard copy records and field verification.
- Performing fieldwork with GPS equipment and to obtain mapping information for the Town's GIS system
- Maintaining/Manipulating GIS data
- Basic understanding of engineering principles, interpretation of contours, and construction means and methods.
- Competency in manipulation of GIS data through use of software (ArcView, ArcGIS) to create maps and diagrams

Minimum Requirements:

- Graduation from a two-year college
- Valid Virginia Driver's License
- General knowledge of GIS Mapping software, survey equipment and GPS technology

The Town of Abingdon offers a comprehensive benefits package that includes medical and dental insurance, paid annual leave, paid holidays, and Virginia State Retirement. A pre-employment drug screen and background check are required.

Please submit your application via the Town of Abingdon website no later than 5:00pm on Friday, January 18, 2019. The Town of Abingdon is an Equal Opportunity Employer; women and minorities are encouraged to apply.
