- (2) Certificate of Appropriateness - **Hazel Ramos-Cano and Richard Cano**, 210 East Valley Street, Abingdon, Virginia 24210; application for Certificate of Appropriateness to repaint structure, changing from white with dark green trim to "Aqua Tint" as the main color and "Spring Pine" for the window frames, with the roof painted "Deep Evergreen". **Tax Map No. 13 (1) 38.**

The Board met specifically to discuss with Mrs. Ramos-Cano, the details of painting of the house at 210 East Valley Street. Mrs. Ramos-Cano pointed out that they had painted the house twice since 1996 and were attempting to change the color of the house to those which would not become mildewed. For that reason, shades of green were proposed as the prominent colors. The siding was proposed to become "Aqua Tint" with the roof and shutters to be repainted "Deep Evergreen" and accented by "Spring Pine" around the window frames. After some discussion, the porch and associated railings would remain white in color.

Upon motion of Mrs. White, seconded by Mrs. Humphreys and unanimously approved, it was resolved to approve the above paint scheme for Mrs. Ramos-Cano's house at 210 East Valley Street.

There being no further business, the meeting was adjourned.
