

**A RESOLUTION BY THE COUNCIL OF THE TOWN OF ABINGDON, VIRGINIA
APPROVING VIRGINIA CLEAN WATER FINANCING
AND ASSISTANCE PROGRAM - SOUTHWEST VIRGINIA PILOT PROGRAM**

WHEREAS, Section 606 of the Water Quality Act of 1987 requires Virginia to develop an Intended Use Plan (IUP) that identifies the uses of its Clean Water Revolving Loan Fund and to prepare a list of projects targeted for funding assistance; and

WHEREAS, on June 1, 2021, Virginia Department of Environmental Clean Water Financing and Assistance Program staff solicited applications for Sewer System Evaluation Surveys (SSES) from localities and wastewater authorities within Department of Environmental Quality's Southwest Regional Office boundary as part of the Southwest Virginia Pilot Program; and

WHEREAS, this pilot program is especially important to Southwest Virginia, in which many localities have difficulty funding certain types of projects that do not increase revenue streams. In addition to demographic challenges, the region is home to several ecologically important watersheds like the Clinch, Powell and Holston River Watersheds. These river systems support the highest number of rare and imperiled fish and freshwater mussel species in North America, and provide a critical water supply for several communities in Southwest Virginia; and

WHEREAS, the Town's application to participate was submitted on July 2, 2021, with a total SSES cost of \$100,000, and Virginia Department of Environmental Quality held a virtual public hearing on August 20, 2021 and the Town was chosen to participate based on the evaluation procedures, including project location, ability to provide a 25% funding match of \$25,000, project eligibility criteria, and supporting documentation for the requested program funding amount of \$75,000.00 to conduct a sewer system evaluation survey to address inflow/infiltration and infrastructure issues throughout the Town's sewer system to address overflows; and

NOW THEREFORE, BE IT RESOLVED by the Council for the Town of Abingdon, the Virginia Clean Water Financing and Assistance Program Southwest Virginia Pilot Program for the sewer system evaluation survey is approved.
