PHASE 1 SEWER SYSTEM IMPROVEMENTS PROJECT – SSES STEP 2

General Notice

The Town of Abingdon (Owner) is requesting Bids for the construction of the following Project:

Phase 1 Sewer System Improvements Project – SSES Step 2 (VCWRLF ID: C-515741)

Bids for the construction of the Project will be received at the **Town of Abingdon Administrative Office** located at **133 West Main Street, Abingdon, Virginia 24210**, until **Thursday, May 9, 2024, at 2:00 p.m.** local time. At that time the Bids received will be publicly opened and read in the **Arthur Campbell Room of the Town Hall**. Bids must be delivered via courier or Hand Delivered ONLY; no electronic or post office box mailings of Bids will be accepted.

The Project includes the following Work:

Division 1 – Installation of UV-cured CIPP liner throughout approximately 3,655 LF of sewer line (ranging in size from 8” to 18” diameter), the rehabilitation of 140 VF of manhole structure, repairs made to the mainline at 31 locations as shown on the plans, the reconnection and rehabilitation of approximately 72 private lateral sewer lines (1,100 LF) and sewer cleanouts, and locating, raising, and rehabilitation of 1 manhole, and all associated asphalt and curb and gutter restoration associated with construction.

Division 2 – The replacement of approximately 11,550 LF of gravity sewer line (ranging in size from 8” to 18” diameter), the removal and replacement of approximately 470 VF of concrete manhole structure, the installation of 84 manhole frames and covers, the installation of 60 LF of concrete encasement for stream crossings, and the replacement, reconnection and installation of approximately 175 private lateral sewer lines and sewer cleanouts and 3,500 LF of 6” lateral sewer line, and all associated asphalt and curb and gutter restoration associated with construction.

Division 3 – The replacement of approximately 2,488 LF of 18” gravity sewer line, the installation of 112 LF of 18” gravity sewer line via pipe bursting, the removal and replacement of approximately 95 VF of concrete manhole structure, the installation of 9 watertight and 3 standard frame and covers, the reconnection of 7 gravity mains, and the replacement, reconnection and installation of approximately 15 private lateral sewer lines and sewer cleanouts and 480 LF of 6” lateral sewer line, and all associated asphalt and curb and gutter restoration associated with construction.

Bids are requested for the following Contract: **Phase 1 Sewer System Improvements Project
SSES Step 2
VCWRLF ID: C-515741**

Bids will be received for a single prime Contract for each individual Contract. Bids shall be on a lump sum and unit price basis. The Project is funded through the **Virginia Department of Environmental Quality**.

Obtaining the Bidding Documents

The Issuing Office for the Bidding Documents is: **The Lane Group, Inc., Phone 276.206.8571, e-mail wrobinson@thelanegroupinc.com**. Prospective Bidders may examine and obtain the Bidding Documents at the Issuing Office on **Monday through Thursday between the hours of 8:00 am – 5:00 pm**. Prospective Bidders may also examine copies of the Bidding Documents provided by the Issuing Office at the locations identified below.

Bidders must comply with the following: The President’s Executive Order # 11246 prohibiting discrimination in employment regarding race, color, creed, sex, or national origin; and the Civil Rights Act of 1964. Bidders must certify that they do not or will not maintain or provide for their employees any facilities that are segregated on the basis of race, color, creed, or national origin.

Bidding Documents also may be examined at:

Town of Abingdon, 133 West Main Street, Abingdon, Virginia, 24210

Online at:

- Builders Exchange of Tennessee
- Construct Connect
- Valley Construction News
- eVA
- [Town of Abingdon, VA Website](#)

Contractors have the option to purchase an electronic set of bidding documents (Adobe PDF Format) for a \$50.00 non-refundable fee. Checks for Bidding Documents shall be payable to The Lane Group, Inc. Upon request and receipt of the document deposit indicated above plus a non-refundable shipping charge, the Issuing Office will transmit the Bidding Documents via delivery service. The shipping charge amount will depend on the shipping method selected by the prospective Bidder. The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder’s date of receipt of the Bidding Documents. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office.

Pre-bid Conference

A pre-bid conference for the Project will be held on **Thursday, April 25, 2024, at 10:00 a.m.** at the **Town of Abingdon, 133 West Main Street, Abingdon, Virginia, 24210, in the Arthur Campbell Room.** Attendance at the pre-bid conference is encouraged but not required.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.

American Iron and Steel

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A - Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term “iron and steel products” means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and Construction Materials. The following waivers apply to this Contract: *De Minimis*, Minor Components and Pig iron and direct reduced iron.
