## **PURPOSE**

In accordance with the Virginia Public Procurement Act §2.2-4303, the Town of Abingdon (Town) is soliciting proposals from qualified, licensed and bonded contractors to remodel an existing building into a commercial kitchen facility. The kitchen is to be located in a portion of the Abingdon Train Depot. The facility is currently vacant. However, the building will be utilized as a senior center and commissary kitchen. Once remodeled the facility will be utilized as a rentable commercial kitchen facility.

Key considerations in the project will be the remodel of an existing building into a commercial grade kitchen, complying with all applicable Federal, State, County and Town regulations.

- Included is the need for ADA accessibility into the existing building as well as ADA compliant bathrooms (minimum of 2 unisex).
- Careful consideration of the transition between the two uses (senior center to commercial kitchen) within this structure is a vital component of this proposal.
- Utilization of the exterior areas for refrigerator, freezer and general storage must be kept within the confines of the “building overhang” and not extend beyond the railroad easement.
- Classroom space that can be used for both “cooking classes”, dining, as well as a “food prep” area is important in the limited square footage.
- Awareness of the limited space proposing equipment that is compact (chef bases), creating storage underneath other uses, and creating a layout that more than one tenant can be working in the location safely.

**It is anticipated that the start date of this project, which encompasses design/permit approvals, construction, construction management and equipment installation will be August 2025. Contractor will work with the town to establish suitable project milestones and a project timeline for project scope.**

## **SCOPE OF WORK**

### **PROJECT OBJECTIVE**

The Town of Abingdon is soliciting bids from qualified, licensed and bonded contractors to design and remodel an existing building into a commercial kitchen facility.

- Improve access and affordability to approved food-handling establishments and certified commercial kitchens.
- Foster food entrepreneurship and specialty food or catering businesses through low-cost and low-risk opportunities.
- Support the agricultural food industry through the promotion of local farming and local food production.
- Support the objectives and principles of the circular food economy and sustainability from farm to table produce, the circular urban food system, and/or management of waste, recycling, and composting.
- Contribute as a food incubator driving a network of food industry leaders and professionals that support food innovation and a food ecosystem.
- Promote food tourism in the downtown by attracting out-of-town and visitor spending.

## GENERAL TERMS AND CONDITIONS

- A. ADVERTISING:** In the event an agreement is awarded for supplies, equipment, or services resulting from this proposal, no indication of such sales or services to the Town of Abingdon will be used in product literature or advertising. The Contractor shall not state in any of its advertising or product literature that the Town of Abingdon has purchased or uses any of its products or services, and the Contractor shall not include the Town of Abingdon in any client list in advertising and promotional materials, unless the contractor has been given written permission by a Town of Abingdon representative who is authorized to sign on behalf of the Town of Abingdon.
- B. ANTI-TRUST:** The Contractor conveys, sells, assigns, and transfers to the Town of Abingdon all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Town of Abingdon under said contract.
- C. APPLICABLE LAWS & COURTS:** This procurement transaction, and any resulting contract, shall in all aspects be governed by the laws of the Commonwealth of Virginia, notwithstanding conflicts of laws provisions and any litigation with respect thereto shall be brought in the courts of the Commonwealth in Washington County, Virginia or in the United State District Court of Abingdon. The Town of Abingdon and the contractor are encouraged to resolve any issues in controversy arising from the award of the contract or any contractual dispute using the dispute resolution process. The contractor shall comply with all applicable federal, state and local laws, rules and regulations.
- D. ASSIGNMENT OF CONTRACT:** An Agreement shall not be assignable by the Contractor in whole or in part without the written consent of the Town of Abingdon.
- E. AUTHORITY TO TRANSACT BUSINESS:** Pursuant to Virginia Code § 2.2-4311.2 and in accordance with Title 13.1, Title 50, or as otherwise required by law, the Contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized by the State Corporation Commission to transact business in the Commonwealth as a domestic or foreign business entity and shall maintain registration as current through the life of the awarded Agreement.
- F. AVAILABILITY OF FUNDS:** It is understood and agreed between the parties herein that the Town of Abingdon shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this Agreement.
- G. CANCELLATION OF AGREEMENT:** The Town of Abingdon may terminate any agreement resulting from this solicitation at any time, for any reason or for no reason, upon thirty days' advance written notice to the Contractor. In the event of such termination, the Contractor shall be compensated for services and work performed prior to termination.
- H. CERTIFICATION REGARDING NON-SEGREGATED FACILITIES:** For contracts subject to federal funding 2 C.F.R. Part 200 requirements, by the execution of this Agreement, the Contractor certifies that it does not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not permit its employees to perform their services at any location, under its control, where segregated facilities are maintained. It certifies further that it will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it will not permit its employees to perform their services at any location under its control, where segregated facilities are maintained. The Contractor further certifies that no employee will be denied access to adequate facilities on the basis of sex or disability. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, restrooms and washrooms, restaurants and other

eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color, national origin, age or handicap, because of habit, local custom or otherwise. It agrees that, except where it has obtained identical certification from proposed subcontractors and material suppliers for specific time periods, it will obtain identical certification from proposed subcontractors or material suppliers prior to the award of subcontracts or the consummation of material supply agreements exceeding ten thousand dollars, and that it will retain such certifications in its files.

**I. CHANGES TO THE CONTRACT:** Changes can be made to the Agreement in any of the following ways:

- a. The parties may agree in writing to modify the scope of the contract. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract. No fixed price contract may be increased by more than twenty-five percent (25%) of the amount of the contract or \$50,000, whichever is greater, without the advance approval of the Town Manager or designee, and under no circumstances may the amount of this contract be increased, without adequate consideration, for any purpose (including, but not limited to, relief of the Contractor from the consequences of an error in its bid or offer).
- b. The Town of Abingdon may order changes within the general scope of the contract at any time by written notice to the Contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Town of Abingdon a credit for any savings. Said compensation shall be determined by one of the following methods:
  - i. By mutual agreement between the parties in writing; or
  - ii. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the Town's right to audit the Contractor's records and/or to determine the correct number of units independently; or
  - iii. By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present the Town of Abingdon with all vouchers and records of expenses incurred and savings realized. The Town of Abingdon shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Town of Abingdon within thirty (30) days from the date of receipt of the written order from the Town of Abingdon. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract. Neither the existence of a claim nor a dispute resolution process, litigation or any other provision of this contract shall excuse the contractor from promptly complying with the changes ordered by the Town of Abingdon or with the performance of the contract generally.

**J. CLARIFICATION OF TERMS:** The Town of Abingdon will assume no responsibility for oral instructions, suggestion or interpretation. Any question regarding the offer documents and/or specifications shall be directed to the

Town Manager or designee and any material change will be submitted to all Offerors through issuance of an addendum. Any questions related to this solicitation MUST be submitted to the contact named on the first page of this solicitation no fewer than seven (7) work days prior to the bid opening or proposal closing date specified. Questions should be in writing and electronic transmission is preferred. Questions submitted beyond the time specified above may be left unanswered if sufficient time does not allow a response to all prospective Offerors without causing an unacceptable delay in the process. Any contact with any Town of Abingdon representative, other than that outlined within this solicitation, concerning this solicitation is prohibited. Such unauthorized contact may disqualify your firm from this procurement.

- K. COLLUSIVE OFFERS:** The offer of any Offeror or Offerors who engage in collusive practices shall be rejected. Any Offeror who submits more than one offer in such manner as to make it appear that the offers submitted are not on a competitive basis from different parties shall be considered a collusive Offeror. The Town of Abingdon may reject the offer of any collusive Offeror upon bid opening or proposal closing. However, nothing in this section shall prevent an Offeror from superseding an offer by a subsequent offer delivered prior to bid opening or proposal closing which expressly revokes the previous offer.
- L. COMPLIANCE WITH ALL LAWS:** Contractor shall comply with all federal, state, and local statutes, ordinances, and regulations now in effect or hereafter adopted, in the performance of scope of work set forth herein. Contractor represents that it possesses all necessary licenses and permits required to conduct its business and will acquire any additional licenses and permits necessary for performance of this Agreement prior to the initiation of work. The Contractor shall keep fully informed of all federal, state, and local laws, ordinances, and regulations, and all orders and decrees of bodies or tribunals having any jurisdiction or authority, which in any manner affect those engaged or employed on this Agreement, or which in any way affect the conduct of the services provided by the Contractor. It shall at all times observe and comply with, and shall cause its agents, subcontractors and employees to observe and comply with, all such laws, ordinances, regulations, orders, and decrees; and shall protect and indemnify the Town of Abingdon Virginia and its employees and appointees against any claim or liability arising from or based on the violation of any such law, ordinance, regulation, order, or decree, whether by itself or its agents, subcontractors or employees. If any discrepancy or inconsistency is discovered between this Agreement and any such law, ordinance, regulation, order, or degree, the Contractor shall immediately report the same to the Town of Abingdon in writing.
- M. COMPLIANCE WITH LOBBYING RESTRICTIONS:** For contracts subject to federal funding 2 C.F.R. Part 200 requirements, by signing an Agreement, the Contractor certifies that:
- a. Since promulgation of the federal requirements implementing Section 319 of PL 101-121, no federal appropriated funds have been paid and none will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of a federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement;
  - b. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
  - c. The Contractor shall require that the language of this certification be included in all subcontracts at all tiers, and that all subcontractors shall certify and disclose accordingly.

CONFIDENTIALITY OF PERSONALLY IDENTIFIABLE INFORMATION:** The Contractor assures that, in the event that any awarded agreement involves information and data obtained as to personal facts and circumstances related to patients, students or clients, such information and data will be collected and held confidential, during and following the term of this agreement, and will not be divulged without the individual's and the Town's written consent and only in accordance with federal law or the Code of Virginia. Contractors who utilize, access, or store personally identifiable information as part of the performance of a contract are required to safeguard this information and immediately notify the Town of Abingdon of any breach or suspected breach in the security of such information. Contractors shall allow the Town of Abingdon to both participate in the investigation of incidents and exercise control over decisions regarding external reporting. Contractors and their employees, subcontractors or agents working on this project may be required to sign a confidentiality statement.
- O. CONTRACTOR'S FORMS/BOILERPLATE CONTRACTS:** All written agreements, contracts, service agreements, account applications, forms, and other documents, of any nature, that the Contractor would require the Town of Abingdon to sign in connection with any contract resulting from this procurement transaction, or the performance thereof by the Contractor, must be submitted along with the Contractor's offer. Under no circumstances shall the Town of Abingdon be required to agree to any contractual provision (i) that would materially conflict with any provision of this solicitation, (ii) that would affect the price, quality, quantity or delivery schedule for any goods or services, or (iii) that would, in the Town of Abingdon's sole discretion, materially alter the overall combination of quality, price and various elements of required services that in total are optimal relative to the Town of Abingdon's needs, and the Contractor shall not condition its performance or delivery upon any such agreement by the Town of Abingdon.
- P. CONTRACTOR LICENSE REQUIREMENTS:** State statutes and regulatory agencies require that some firms be properly registered and licensed, or hold a permit, prior to performing specific types of services. If firms provide removal, repair, improvement, renovation, or construction-type services they, or a qualified individual employed by the firm, must possess and maintain an appropriate State of Virginia Class A, B, or C Contractor License (as required by applicable regulations and value of services to be performed) for the duration of the Agreement. It is the firm's responsibility to comply with the rules and regulations issued by the appropriate State regulatory agencies. A copy of the license must be furnished upon request to the Town of Abingdon.
- Q. CONTRACTUAL CLAIMS:** Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment; however, written notice of the Contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. The Town of Abingdon has established an administrative procedure for consideration of contractual claims, and a copy of such procedure is available upon request from the Town of Abingdon. Contractual disputes shall also be subject to the provisions of Virginia Code § 2.2-4363(D) and (E) (exhaustion of administrative remedies) and § 2.2-4364 (legal actions).
- R. CORRECTION OF ERRORS:** The Contractor shall check for accuracy any reports, and the design, drafting and details of final plans prior to submission. The Contractor will be required, without additional compensation, to correct any errors, including but not limited to omissions, discrepancies, and ambiguities, in any services performed in fulfillment of the obligations of this Agreement, and shall also reimburse the Town of Abingdon Virginia for any costs incurred. Acceptance of the plans or reports by the Town of Abingdon Virginia shall not relieve the Contractor of the responsibility of subsequent correction of errors.

- U. DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, the Town of Abingdon, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. The Contractor hereby grants to the Town of Abingdon an unconditional right of use, for any purpose whatsoever, documents or electronic media prepared by or on behalf of the Contractor pursuant to this Agreement, free of any copyright claims, trade secrets, or any other proprietary rights with respect to such documents.

**RR. PAYMENT:**

a. To Prime Contractor:

- i. The Town of Abingdon shall promptly pay for completed delivered goods or services by the required payment date. The required payment date shall be either: (i) the date on which payment is due under the terms of a contract for the provision of goods or services, or (ii) if a date is not established by contract, not more than 45 days after goods or services are received or not more than 45 days after an invoice is rendered, whichever is later. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial executions or deliveries to the extent that the contract provides for separate payment for partial execution or delivery. Within 20 days after the receipt of an invoice for goods or services, the Town of Abingdon shall notify the supplier of any defect or impropriety that would prevent payment by the required payment date. In the event that the Town of Abingdon fails to make payment by the require payment date, the Town of Abingdon shall pay any finance charges assessed by the supplier that shall not exceed one percent per month. In cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made.
- ii. Individual contractors shall provide their social security numbers, and proprietorships, partnerships, and corporations shall provide the Town of Abingdon with a federal employer identification number, prior to receiving any payment from the Town of Abingdon.
- iii. Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the Town of Abingdon contract number and/or purchase order number.

- iv. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the contract price, regardless of which Town of Abingdon department is being billed.
- v. Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, Contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Town of Abingdon shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve any Town of Abingdon department of its prompt payment obligations with respect to those charges which are not in dispute (Virginia Code § 2.2-4363).

b. To Subcontractors:

- i. A Contractor awarded a contract under this solicitation is hereby obligated:
